PROPERTY ADDRESS DISCREPANCY

The property address on the application is different from the property address shown on other underwriting documentation submitted. This discrepancy must be resolved.

1. If the property address on the application is correct and the elevation certificate is for the wrong structure, please submit an elevation certificate with the same address that is listed on the application.
2. If the property address on the application is incorrect due to a typographical error, please provide the correct property address:

3. If the address on the application is the physical address and the address on the EC is the legal address, please sign here certifying the addresses are one and the same:

Agent Signature: _____ **Date:** _____

4. If the address on the application and the address on the EC are one and the same, you may sign the statement below certifying the elevation certificate provided is for the address indicated on the application.

By signing my name below, I certify that the address shown on the application is the same as the address shown on the EC:

Agent Signature: _____ **Date:** _____
